

# Destination Imagination Information

## What is Destination Imagination?

Destination Imagination is a project-based learning experience that applies the creative process across seven areas—technology, science, engineering, fine arts, improvisation, service learning, and early learning—and is open to teams of students from first grade through university levels. It is also a fun, hands-on system of learning that fosters students' creativity, courage, and curiosity through open-ended challenges. Students use the creative process to turn their ideas into reality and learn invaluable skills through the process. Participants learn patience, flexibility, persistence, ethics, respect for others and their ideas, and the collaborative problem-solving process. Students gain the 21<sup>st</sup> century skills -- creative and critical thinking, collaboration, and project management -- needed to thrive in school, in careers, and beyond.

Teams have the opportunity to showcase their innovative challenge solutions at Regional and Affiliate competitions and vie for a spot at Global Finals—the world's largest celebration of creativity.

### **Destination Imagination is on for the 2020-21 season!**

Team Challenge and Instant Challenge solutions will be recorded and submitted digitally for Virtual Regional, Affiliate, and Global tournaments.

# Sesión informativa para el programa *Destination Imagination*

## **¿Qué es *Destination Imagination*?**

*Destination ImagiNation* es una organización que enseña la creatividad, el trabajo en equipo y la resolución de problemas a estudiantes de los EE.UU. y a nivel mundial en más de 40 países. Equipos de estudiantes de primer grado a nivel universitario resuelven toda clase de Retos. Los integrantes de estos equipos deben pensar sobre la marcha, trabajar unidos e idear soluciones originales que cumplan con los requisitos de los Retos.

Para informarse mejor acerca del programa Destination Imagination en Cypress-Fairbanks ISD, le invitamos a la sesión.
